example: 10 + 5k = \$10 + \$5 per thousand based on the cost of construction

Building Permit Checklist – Please Read Carefully

Keep this form for your own use

It may be necessary to include the following items with your building permit application. All work must be completed to comply with the International Residential Code 2000, The International Building Code 2000, Life Safety, and State of NH Plumbing & Electrical Regulations.

_____ 1. **Site Plan**

A site plan is required for ALL new structures or additions. It must show all setbacks from rights of way, property lines, bodies of water, wetlands, etc. The owner/applicant must sign the site plan.

REQUIRED FOR ALL 2. Building Plans

Separate plans showing specifications are required. For houses and larger structures, plans are required. For most other projects, a cross-section drawing is adequate. Pools are exempt from this requirement.

REQUIRED FOR ALL 3. Estimated Cost

A total estimated cost must be included on the application.

_____ 4. **Hookup Fees**

If tying into Town water/sewer, hookup fees must be paid PRIOR to the issuance of a building permit. \$1,000 per hookup.

_____ 5. **Electrical & Plumbing Permits**

Separate permits are required for all electrical & plumbing work.

REQUIRED FOR ALL 6. Permit Fees

Permit applications will not be accepted, unless accompanied by the correct fee.

_____ 7. **Oil Burner Permits** (available from Town Clerk's Office)

Oil burner permits must be obtained PRIOR to installation. You must arrange for the Fire Department to inspect the burner after installation. This is a volunteer department. You may leave a message at Newmarket Dispatch Center, 659-6636. Allow at least seven days for the inspection.

8. **Inspections**

If you are not sure what inspections will be required, please ask the building inspector prior to beginning the project. **Allow at least 24 hours notice for all inspections.**

In addition to inspections during construction, all projects require a final inspection. It is up to you to arrange for this inspection, when the project is complete.

BUILDING INSPECTOR:

**TOWN OF NEWMARKET, NH
APPLICATION FOR DRIVEWAY PERMIT- TOWN ROADS**

TO: Director of Public Works
Department of Public Works & Highways
Packers Falls Road/Water Treatment Plant
Newmarket, NH 03857

Date: _____
Map & Lot: _____

Pursuant to the provisions of Title 20, Chapter 249, Sections 17 and 18, Revised Statutes Annotated 1955 and amendments thereto, permission is requested to construct _____ driveway entrance to property located on the _____ side of _____ Street/Road in the town of Newmarket, NH at a location which will meet the requirements for safety specified in said Statutes.

The driveway requested is for access to _____ Street/Road
for a _____.
(residence, business, subdivision, etc.)

Describe nature of business and/or subdivision: _____

As the Landowner/ Applicant, I hereby agree to the following:

1. To construct driveway entrance(s) only for the bona fide purpose of securing access to private property such that the highway right-of-way is used for no other purpose than travel.
2. To construct driveway entrances at permitted location in accordance with statutes, all provisions of Driveway Permit Specifications and standard drawings for driveway entrances issued by the Newmarket Department of Public Works.
3. To hold harmless the Newmarket Department of Public Works and its duly appointed agents and employees against any action of personal injury and/or property damage sustained by reason of the exercise of this permit.
4. To furnish and install drainage structures that are necessary to maintain existing highway drainage and adequately handle increased runoff resulting from development.
